

Level I Health Ethics Workshop

Date:
October 4 & 5, 2011

Want to be part of an interesting two-day discussion about health care ethics?

This workshop is for you!

This workshop is an opportunity for participants to explore the ethical in themselves and in their work in healthcare. It introduces theoretical ethical perspectives and applies them to clinical practice scenarios through a variety of activities.

You must attend both days of the workshop to receive a Level 1 Certificate

** This workshop meets the pre-requisite for the Level II: Ethics Resource Workshop.

Facilitator:
Nancy Brown
Coordinator, MB-PHEN

Time:
8:30 am - 4:30 pm

Location:
Meeting Room, Addictions
Foundation of Manitoba
Thompson, MB
